*****IMPORTANT READ ME*****

Due to range constraints, the match will be shot in two segments, in two shooting bays, with a competitor point change in between should 10 or more shooters be registered for the match. Half of the competitors will begin shooting 50 yards while the other half will begin at 100 yards. Competitors will shoot 3 targets, one at a time, at their respective distances. Competitors will then be required to exchange shooting bays. A 30min break/change over will be provided starting from when all competitors have changed their targets after the third target. Competitors will then shoot their remaining 3 targets. 20min will be given for each target with a target change after each, and time will be called when all shooters in a bay have completed firing. This is a public range which opens at 1:00 pm, therefore we must be off the firing line by 12:30 pm.

Scoring: Match officials will do all scoring. The plug type scoring gauge will be restricted to use by the range personnel, including the range officer, statistical officer, or supervisor.

Challenges: A challenge fee of \$2.00 will be charged for each challenge made. See NRA Rule 16 for correct procedure.

Awards: Classes may be combined for award purposes if there are less than 5 competitors entered in a class. NRA award points will be given to high overall and the winners of each class.

Entry Limit: Email, phone, and post entries will be accepted. Please include your class, category, and any special squadding requests. Entries will be accepted up to the capacity of the range for one relay (20). Should interest allow us, we will offer a 6:15 pm relay which will expand the match capacity to 40 shooters. Pre-registration is REQUIRED. Relay requests will be done on a first come first served basis with a preference given to out of town competitors.

If you can only be in attendance for one of the two days, please include that in your entry. We will try to fit you in both relays for that day.

Entry Fee: Package Entry Fee (both days) \$40 for adults, \$20 for juniors
One Day Entry (either day) \$30 adults, \$15 juniors
Make checks payable to : Blackhawk Rifle Club

Accommodations: The range is located roughly 20min southwest of Raleigh, NC, off US-1. There are many hotels in the area. Hot food will be for sale (burgers and hot dogs) along with other snacks and drinks. Lunch proceeds benefit the Sir Walter Junior Program.
