

# **2010 NRA FOUR POSITION SECTIONAL**

Sanctioned by the National Rifle Association  
Sponsored by the Rhode Island Rifle and Revolver Association  
Hosted by the Cumberland Beagle Club

The NRA National Open Indoor Championships give competitors a chance to compete in a national event by comparing their scores with those fired by competitors in clubs all over the country. Scores are comparable because of the similar conditions existing in indoor ranges. Competitors and sponsors are responsible for the content of this program (Rule 18.2).

NRA will conduct National Open Indoor Rifle Sectionals starting January 1, 2010 and concluding on March 21, 2010. All results must be at NRA no later than April 2, 2010. Any results received after the closing date will not be included in the 2010 National Indoor Championships Bulletin.

The 2010 National Open Indoor Rifle Championships are determined by scores fired at local Sectional Tournaments, which are compiled at NRA Headquarters. A bulletin showing National Award Winners and a complete listing of all competitors and their scores is compiled and the official results are available at: [www.nrahq.org/compete/champ1.asp](http://www.nrahq.org/compete/champ1.asp).

1. Individual matches: If range facilities permit, two targets for the match should be mounted simultaneously, and an additional three minutes will be allowed for target change of the second stage or match as needed. When only a single target is mounted, due to range limitations, three (3) minutes for each target change will be added to the total firing time for the match.

2. Sighting Shots: Unlimited number may be fired any time

3. Shooting Time: Time allowed includes sighting shots. Time remaining from one position may not be carried over to a following position regardless of the method of changing targets.

4. Firing Order: All matches must be completed by all competitors on a relay before the next match is started. Matches must be fired in the order identified in each of the program sections.

5. Preparation Period: After record targets for a relay have been properly mounted, a three (3) minute preparation period will be given before the "Commence Firing" command.

6. Target Height: Target height may be adjusted.

**SCORE CARDS:** Special score cards will be used and must be signed by the competitor to be considered for the national bulletin. If no category is circled, a competitor or team will be placed in the Civilian category. If no classification is circled, a competitor or team will be placed in the Master class.

**CATEGORIES:** As identified in each program section.

**CLASSIFICATION:** Each individual competitor will be placed in one class according to the NRA Classification System and shall be prepared to exhibit his classification card or

Temporary Score Record Book. Unclassified competitors will fire in the Master Class classification (Rule 19.6). Teams will be classified according to rule 19.12.

**TEAM ENTRIES:** Team participation should be indicated on individual entry card. Team entries must be made in person at the Statistical Office.

**ENTRIES CLOSE:** Individual match entries must be received no later than the Monday preceding the opening date of the tournament. Team match entries may be made any time prior to the start of firing the team match.

**POST ENTRIES:** Post entries will be accepted up to the capacity of the range provided such entries will not require extra relays.

**SIGHTING SHOTS:** Unlimited sighting shots will be allowed in all matches and at all stages and must be taken within the time limit (Rule 8.2).

**SQUADDING:** Will be assigned by the sectional Statistical Officer. Please state preferred time of firing. Teams are not required to be squadded together to fire as a unit. Additional relays not identified in the sectional program must be coordinated with and approved by the National Statistical Officer. A Match Directors Bulletin announcing the additional relay and NRA approval must be posted on the Official Bulletin Board.

**ELIGIBILITY:** A competitor (individual or team) may enter more than one Sectional tournament of each kind in 2010. However, the individual MUST declare before firing if the Sectional being fired is for score only or for the National Championship. If firing for score only the score card must be marked accordingly. Competitors may enter other types of Sectionals if eligibility limitations permit. Competitors entering for "score only" are NOT eligible for awards in the local sectional or the National Championship. A foreign competitor is eligible to participate in the Sectional and National level (Rule 2.1.1), however, only U.S. citizens may win the First, Second and Third Place National Individual and Team Championship awards.
