Facilities: The competition forum, RBGC's Multi-purpose II range (MP2), has 40 paved and covered firing points. For those who would like to practice, an open practice session will be held on Friday afternoon, October 15.

Also, please remember that RBGC guests are limited to use of the MP2 range during open practice or competition while a member of the match staff is present. Should you need to use MP2 or any other range when the match staff is not present, club rules require that guests be signed-in and accompanied by an RBGC member at all times. Please direct any questions about these requirements to Tommy Steadman, the match staff, or the RBGC club manager.

Lodging: Lodging accommodations are conveniently located within a reasonable driving distance of the range in Cumming, Canton, Dawsonville and Gainesville. Scored targets will be available for inspection by competitors in the Statistical Office.
- Challenges:** Challenges and protests will be addressed as described in Rule 16. A \$2.00 challenge fee will be charged for each challenge and collected by the Statistical Office before making the first recheck. Regional Championship Match and Class Winners of individual fired matches, 1200 aggregate matches, and 2400 grand aggregate match (other than junior competitors paying reduced match entry fee) will receive cash and/or award points. A minimum of 5 entries is required to form a class/category. Second place awards will be presented with 8 or more entries in a class/category. "Odd Ball" Team Match - Match No. 12:

In an attempt to encourage and stimulate team match participation, the 2-man team match is a "fun event" with teams assigned by the sponsor as explained below. The match sponsor is hopeful that all individual competitors will join the fun.

Eligibility: This is an "open" team match and there is no club or organizational affiliation requirement. **Teams are not eligible to establish NRA national records.**

Entry: The team match is a sponsored event and there is no team entry fee for competitors. Competitors may enter the team match by notifying the Statistical Office before the start of Match 1, Dewar Match Metallic Sight.

Awards: Each member of the winning team will receive an NRA team medal. If more eight or more teams compete, a medal will be awarded to each member of the second place team.

Course Of Fire: The Odd Ball team match is an Any Sight 400 aggregate match with 20 shots for record fired by each team member. The distance will be 50 meters fired on target A50. A three minute preparation period will be followed by twenty minutes for unlimited fouling and/or sighting shots and twenty shots for record.

The highest possible team score is 400-40X. Ties will be broken per Section 15 of NRA Smallbore Rifle Rules.

Team Assignment: The Statistical Office will assign teams from the roster of individual competitors who register to compete in the team match. Team assignments will be made based on the scores fired in the Dewar Match Metallic Sight (Match No. 1) as follows:

Team competitors will be ranked-ordered from high to low based on their score in Match No. 1, Metallic Sight Dewar Match. The competitor with the highest score in Match No. 1 will be teamed with the competitor with the lowest score in Match No. 1. The competitor with the second highest score will be teamed with the competitor with the second lowest score and so on until all competitors are assigned to teams.

"Odd Ball" Team Match - Match No. 12: (Continued)

The "Odd Ball": If an odd number of individual competitors register for the team match, the "odd ball" (individual without an assigned team member) will be given the option of accepting a stipend in lieu of competing or competing with all other teams plus firing a supplemental 20 minute/20-record shot stage at the conclusion of the team match. If the "odd ball" declines the stipend and elects to compete in the team match, he or she may recruit a non-firing teammate/coach if such person is readily available. If the "odd ball" wins the team match or is eligible for a second place award, the non-firing teammate/coach will be awarded a team medal.

Squadding: Team members will be squadded on adjacent firing points to facilitate team member communication and coaching. Firing points will be assigned by the Statistical Office and will be available when the team assignments are announced.

Please complete this form and submit to the Statistical Office with your entry fee
