Classification: The NRA classification system will be used in all individual matches. Individual competitors without an NRA classification will fire in the Master Class. Rule 19.6 (assigned classification) or Rule 19.2 (temporary classification) may be used in making entry in an NRA Regional Tournament.

Class & Category: Separate awards will be given in each of three categories, Service, Civilian and Junior, subject to Regional Award schedule. Members of the Army, Navy, Marine Corps, Coast Guard, Air Force, National Guard and Reserve components will comprise the Service Category (Rules 2.5, 2.6 and 2.7). All others are either Civilians (Rule 2.2) or Juniors (Rule 2.3). Classes and categories may be combined (Rule 19.8).

Any Sight-Only Competitors:

Senior competitors and others may, at their option, compete with telescopic sights throughout the tournament and thus compete in a separate Any Sight-only group. Awards will be calculated per the schedule of awards below. A minimum of five (5) Any Sight-Only competitors is required to form an Any Sight-Only category. Competitors in the Any Sight-Only category are eligible for awards within the Any Sight-Only category only. If there are fewer than five Any Sight-Only competitors, the Any Sight-Only competitors will be eligible for awards in the Any Sight 1600 but are not eligible for open tournament awards. Any Sight-Only competitors are not eligible to be State Champion.

Targets:

Official NRA Conventional targets will be used: A-23/5 at 50 yards, A-25 at 100 yards, and A-26 at 50 meters. Competitors will mark and hang their own targets before each match stage. Target clips are required and must be furnished by each competitor. Targets will be scored by the Statistical Office staff under the supervision of the Chief Statistical Officer. Scored targets will be available for inspection by competitors in the Statistical Office.

Challenges:

Challenges and protests will be addressed as described in Rule 16. A \$2.00 challenge fee will be charged for each challenge and collected by the Statistical Office before making the first recheck. The entire target will be re-scored and the challenge fee will be returned if the challenge is sustained at any point along the line of rechecks. Challenges (including challenge fees) for fired matches must be submitted to the Match Director or Chief Statistical Officer before competitors are called to the line for the first stage of the next fired match. The challenge time limit for unfired matches is 30 minutes after the preliminary bulletin for the challenged unfired match is posted.

Scoring Of Challenged Shots And Shots Of Questionable Value: The plug type scoring gauge will be restricted to use by range operating personnel including range officers, chief statistical officer, and one or more of the three members of the jury who will be appointed by the Match Director.

Schedule Of Awards:

State Champion: The highest scoring individual resident competitor (other than Juniors and Any Sight-Only competitors) is the State Champion. The state champion will receive a State Champion award (plaque or trophy).

Junior State Champion: The highest scoring individual junior resident competitor (other than Any Sight-Only competitors) is the Junior State Champion. The Junior State Champion will receive a Junior State Champion award (plaque or trophy).

Match, Class, and Category Winners of individual matches, 1600 sub-aggregate matches, and 3200 grand aggregate match (other than junior competitors) will receive cash and/or award points. The value of awards will be based on an award schedule designed to equitably distribute awards to competitors based on the number of entries in each class and category. The total amount of funds available for awards distribution will be approximately 60% of total receipts less tournament expenses (NRA and GSSA registration fees, range fees, target costs, etc.).

A minimum of 5 entries is required to form a class and/or category. Second place awards will be presented with 8 or more entries in a class and/or category. Third place awards will be presented with 13 or more entries in a class and/or category. Classes with insufficient entries to meet the minimum entry criterion will be combined with a higher class (Rule 19.8.1).

We invite competitors and others to sponsor an individual match or matches or any special or fun award. Such sponsored awards will bear the name of the donor.
