

## VT Winter Postal League 2014 Week 1 Results

Welcome to Week One of this Year's Vermont Winter Postal League. This season, despite losing two teams do to the "great ammunition shortage" we have grown to 15 teams, with 110 participants, 87 firing this week. Our overall Team Champion this week is, one of our new clubs from Albion PA they fired a 1579 led by Nate Povolko who fired a 397. They were followed by last year's Team Champions Whitehall who fired a 1574. Whitehall's top shooter was Jason Pratt, who was also this weeks, Top Shot in the league. Jason fired a 398 with a 100 in Standing. Both teams were followed closely by the Plattsburgh Rough Riders 1570 and Jamestown, 1568. The top six teams were all just about 10 points apart. This week's Top Prone shooter was John Liska 397 of Barrington and Peter Visconti 397 of Plattsburgh.

This year we will add yet, another twist to make the league interesting. I have split the league into two Divisions, East and West. Plattsburgh being the center of the Universe and the dividing line. Not only will we have Division Champions, but each week we will put together an all star team from each division as a little interesting East vs. West Challenge. We will also do this with the Juniors as a way of recognizing them. At the end of the season we will have a first and second team All-Division Team posted.

With all these participants, I apologize beforehand for any miss spelling, or typos. Please take a second to make sure your scores are correct each week. With all these shooters mistakes will be made. I will correct results for the next week. Please make every effort to have your team scores sent in on time, as soon as they are fired, by Sunday night at the latest. I plan to send out next week's results Monday morning . As usual share your photo's and "like" us on facebook.
