

## VT Winter Postal League 2014 Week 5 Results

Welcome to Week Six of this Year's Vermont Winter Postal League. **Congratulations to Whitehall; our Week 6 Champions.** They once again out-shot Plattsburgh by one point (1577-1576), to take first place. Whitehall was led by Jason Pratt who Shot a (397), and Plattsburgh was led by Frank Richards (396). Albion (1574) came in third place this week, just ahead of Burlington (1573). Albion was led by Joe Shrader, (399) who had the top score this week and had a 100 in standing. Shrader also has the league's top 4-P average. Burlington's top shooter was James Cummings (396), it was their team's first fourth place finish this season. Competition continues to be close up and down the league, with teams moving up and down the standings each week. It is especially close between Albion and Whitehall. Albion is currently ahead of Whitehall 9464-9460 for the overall league lead. I have continued to figure out the Win-Loss record for each team; however standings are based on total points.

In All-Star Action, the East outshot the West this week 1587 to 1581. It is now East 5 West 1 (East 9514-West 9489). The Western Junior All Stars continue to dominate over the East. John Liska of Barrington fired the league's best prone score so far this year and led the league this week with a 398.

The individual brackets have now been set for our big Match 7 all ties have been broken. Next week's results will be shown as the brackets are set up now. I will adjust the brackets if for some reason I discover that I have made a mistake in entering someone's score (possible with so many people).

With regard to match 7, I am asking that all prone shooters report number of 10's and center shots for match 7. The tie breaker for the 4-P section will of course be standing, Kneeling, Sitting then prone. If we still have a tie after that, the individual with the higher average will be declared the winner of their bracket.

Please try and get your scores to me as soon as possible to give me additional lead time in entering the figures and getting out the results. In addition if you can total up your team score it will save me an additional step. Week 7 results should be out by Monday night.

Match 10 is just about a month away, (April 5/6); teams can register for this match at any time. Relay times will be Sat 9:00/10:30/12:00/1:30 and Sun 9:30/11:00/12:30. Arrive early or stay late for lunch. For those teams that are traveling a long distance they are welcome to stay overnight as our guest in the clubhouse. Teams not attending should be sure to have their targets arrived for scoring prior to that weekend.

Please check out the league's Facebook page and be sure to "like" us and feel free to submit or post team photos. You will also find league standings and results on that page.

I hope you all have a great week, and look forward to seeing your scores. Good luck in Match 7.

Peter Visconti, League Director
