

VT Winter Postal League 2014 Final Results

We have reached the end of Vermont Winter Postal League season, Below you will find the final results and standings from this past season, with various stats that might interest you. Also, I received a few more targets on Monday (yes Monday), so I had to update the Match 10 results you will also find those updated results at the end of this document, so be sure to read all the way through .

Congratulations to Albion this year's League Champions. Albion fired a 15777 across the season they were led by the shooting of Joe Shrader (397.1 average), Whitehall was a close second with 15762, led by Jason Pratt , (396.2), Plattsburgh came in third, 15740, led by Peter Visconti (396). Whitehall had a great run as League Champions dating back to 2001. Since the league started in 1975, Whitehall has been league champions 17 times, Burlington 12 times, Fort Ann 2 times and Covered Bridge our very first champion twice. Albion now joins that group. I suspect that completion will be close among all our top teams again next season. I have complete list of past league champions dating back to 1975 below.

The League's top 4-P shooter this year was Joe Shrader of Albion, who had a 397.1 average he was followed closely by Jason Pratt 396.2 of Whitehall and Peter Visconti, Plattsburgh, James Cummings, Burlington 396. Our League's top junior shooters this year were Eric Sloan of Quaker Hill, (393.6), followed by Clayton Hanson (393.5) and Ben Swanson (393.3) of Jamestown, and Andrew Visconti (389.30), Plattsburgh. We had two shooters fire a perfect 400 this year, Ben Swanson in week 8, and Jason Pratt in Week 10. We also had Four shooters fire a perfect standing score this year, Jason Pratt, Joe Shrader, Ben Swanson and Nate Pavolko.

The League's top prone shooter this year was John Liska of Barrington NH (396.44) followed by Visconti (396.40) and Paul Deslierres (395.7) of Plattsburgh. Top Junior Prone Shooters was Andrew Visconti (389.9) of Plattsburgh. Our top prone score this year was fired by Deslierres and Liska (399).

For the first time we have added an Official All Star Team for our League, both first and second teams. You will find them listed below. Congratulations to our "All Stars"

Please check out the league's Facebook page "Vermont Winter Postal League" and feel free to submit or post team photos. Please share some interesting photos from your off-season.

I will send out checks to our teams for the bracket winners by next week.

I want to thank everyone for a great season, we had a great turnout of both teams and individuals. We might even see a few more teams join us next season. I want thank you for your patience with any typos, or mistakes, with so many data entries it was bound to happen. Have a great summer, try your best to support local venues in their outdoor matches, it helps us all in the long run. Try and reach out to new individuals and youth and introduce them to the sport we all love. I look forward to hearing from you all next fall. Please keep in touch.

See you all at the Range,
Peter Visconti, League Director

**Starting on the next page you will find the updated Official Results from Match 10
Held over the weekend of April 5/6 at the Plattsburgh Rod & Gun Club**

Welcome to Week Ten of this Year's Vermont Winter Postal League, attached you will find the results from this past weekend's match. The final overall standings and end of the season results will be sent out later this week.

Congratulations to Albion who took first place this week, Week 10 Champions. Albion fired a 1584 they were led by the shooting of Joe Shrader 397. Jamestown came in second with a 1579, led by Ben Swanson and Todd Hanson who both fired a 397. They just edged out Whitehall who came in third place, with a 1577. Whitehall was led by Jason Pratt who fired a 400, Jason had the league's second perfect score of the season.

Albion went into Match 10 ahead of Whitehall 14193-14185 for the overall league lead with just one match to go. They outshot Whitehall 15777 to 15762. Congratulations to Albion this year's League Champion's. Whitehall had a great run as League Champions dating back to 2001. I will have complete list of past league champions dating back to 1975 in our League 2014 Final Results.

Jason Pratt of Whitehall had the league's top 4-P score this week (400). Followed by Hanson and Swanson (397) of Jamestown. Our League's top junior shooter this week was Swanson 397, Eric Sloan of Quaker Hill 395 and Andrew Visconti 394, Plattsburgh.

In All-Star action, East topped West again but only by three points, 1590-1587, both very good scores. For the first time this season the Eastern Junior All-Stars outshot the West. We will have our Official Season All-Star Teams both first and second team, announced in our end of season results.

Our Top Prone shooter this week was Paul Deslierres of Plattsburgh who shot a 398. Our top junior prone shooter this week was Andrew Visconti (383) of Plattsburgh.

The winners of the 3 person groups are indicated with a star next to their names. We had no ties in those 4-P and Prone groups.

Please check out the league's Facebook page "Vermont Winter Postal League" and be sure to "like" us and feel free to submit or post team photos. You will also find photos from the past season, scores and future updates on that page. .

Thank you for a great weekend, it was nice to see such great competition during this past weekend. Thank you to all who assisted in the set up, clean up and cooking.
