VTWinterPostalLeague@yahoo.com VTWinter.PostalLeague.com

Welcome to Week **Three** of this Year's Vermont Winter Postal League. Our overall Team Leader for the first time this season was the Plattsburgh NY, Rough Riders the club was led by Norbert Yakey and Peter Visconti who both fired a 396 in 4-P. They were followed by Albion PA, 1574 led by Nathan Pavolko's 395 in 4-P. Third place went to Whitehall, 1568, their top shooter was John Hollister and Pete Steffan who both fired a 393. All three clubs sit in first place in their respective divisions. Jamestown came in fourth overall with a 1560 this week with a 1560 followed closely by Burlington's 1554. Albion PA is currently in first place overall in league competition with a total team score of 4726 followed closely by Plattsburgh 4723.

This week's Top 4-P shooter was Jim Perrin of Rochester who fired a 398, the highest score this season by any shooter. This week's Top Prone shooter was again Eric Sloan 397 with the Niantic team. Our top Standing shooter was Jim Perrin who fired a 396. Our Top Junior Shooters this week were; Clayton Hanson, 395, Jamestown, 4-P; Eric Sloan, 397, Prone, and Eric Sloan 392, Standing.

Year to date, Albion PA is in first, 4726, followed closely by the Plattsburgh Rough Riders, second, 4723, Whitehall NY third and Jamestown is in fourth. Individually James Cummings, of Burlington, is our 4-P average leader (396), Eric Sloan of Niantic, is or prone average leader (396) and Eric is also our standing leader with a (393). (See results below for a complete list of averages)

In all star action, the Western All-Stars once again the led the league with the South again taking second. The Western Juniors took first this week over the south 1545-1542. Last I completely goofed on Madeline Svengsouk's, name in the junior all-star section. Madeline shoots for the Rochester club. My apologies.

I want to welcome our newest club to join the league from Alex Bay New York, the American Legion Post 904. They are primarily a junior air rifle club.

We still seem to be having some issues with the Web, at this point it only appears to be the team scores and team totals. Fortunately this is a section I have been typing out each week. Please be sure visit the site and check out all the individual scores at VTWinter.PostalLeague.com. I will cut and paste the individual Averages as shown on the web site at the bottom of this report again this week. **Please make every effort to have your team scores sent in on time, as soon as they are fired, by Saturday night if possible.** Last week's bye week hopefully allowed you to get ahead or stay on track, as it turns out the bye week worked out as a blessing with the cold and snow these last two weeks.

You can **find the full results at VTWinter.PostalLeague.com** .

The league is on **facebook**, you can find updates about the league on that site. Please look us up, and share your team photos and "like" us. Please share this e-mail with your teammates and fellow shooters. See you all at the range.
