This week's results, (week 7), include the results of our four person groups for our Big Week 7 individual bracket match. I have attached the results of bracket match in a separate word doc. Looking ahead to week 10, you will again have two weeks to fire your scores and mail the targets in for verification. Targets must be received by Saturday April 4th. I am asking all teams to score their targets as accurately as you can, and input the match 10 scores into the web site. I will review all targets and make any changes needed. In past years there have been very few changes, with more additions (via math or obvious mistakes) than subtractions.

Please e-mail me some team photos so I can share them with the rest of the league. Please share this e-mail with your teammates and fellow shooters. This document is also attached as a word doc so you can print it. Hope to see you all at range.
